Invitation Letter

Dear Mr. Caldeira Rêgo,

Within the scope of scientific cooperation of the Max Planck Society with countries abroad I hereby invite you to a two-year employment stay at the Max Planck Institute of Microstructure Physics from May 1, 2017 until April 30, 2019. You will be hired as a salaried scientific employee.

You will be paid according to TVöD (Tarifvertrag für den öffentlichen Dienst – German collective agreement for federal employees) remuneration group EG 13, grade 1, and thus will be able to cover your living expenses. You may rent an apartment in our guest house until you found a suitable apartment elsewhere. Health insurance will be concluded upon arrival.

We agree that your wife Jorcemara Matos Cardoso, born January 11, 1987 and your two children Maria Cecilia Mator Cardoso Rêgo, born November 4, 2010 and Davi Ricardo Matos Cardoso Rêgo, born August 8, 2015, accompany you during your stay. Please note that your daughter must attend school as of August 2017.

When you apply for your visas, please present to the German consulate the German invitation letter and the enclosed letter.

Yours sincerely,

Max-Planck-Institut
für Mikrostrukturphysik
Weinberg 2 • 06120 Halle

Prof. Eberhard Gross
Director at the Institute
